

LIFE THROUGH LIGHT ... SET IN STONE

Many of you have asked about the “Life through Light ...” logo that we have on our main page. Laser engraving is performed with an intense beam of light that is so focused and so intense that it “burns” or “shatters” the surface of the material that we are engraving. It is funny sometimes to watch those seeing our equipment operate for the first time and it dawns on them that it is light, and light alone, that is creating such a beautiful image on that hard stone.

There is another light that does something similar but vastly stronger. It is the Light of Jesus! In the New Testament we find in John 8:12 these words: Then Jesus spoke to them again, saying, "**I am the light of the world. He who follows Me shall not walk in darkness, but have the light of life.**" There is a Light that penetrates the hardest heart and into the darkest depths of the soul and creates something totally new and wonderful...a new creation, a thing of beauty, a bride. That is truly **Life through Light**.

In John 10: 27-29 we also find Jesus saying this: “**My sheep hear My voice, and I know them, and they follow Me. And I give them eternal life, and they shall never perish; neither shall anyone snatch them out of My hand. My Father, who has given them to Me, is greater than all; and no one is able to snatch them out of My Father's hand**”. Jesus tells us that once we are His, there is nothing, absolutely nothing, that can take us out of His hands. Furthermore, Jesus then goes on to tell us that nothing, absolutely nothing, can take us out of His Father’s hands. That is what many call the “double clutch” of salvation, knowing that we are not only in the Savior’s hands, but Father’s as well. Absolute. Finished. Done. ...**Set in Stone**.

That is what we mean by “Life through Light...Set in Stone”.
